2021 Company Checklist

To assist us in preparing your company income tax return in accordance with Australian Taxation Office requirements, please use this checklist when you compile the information.

For income and deductions, keep in mind that self-assessment applies. In the event of a Tax Office audit you will need to be able to substantiate the deductions claimed and income earned.

Finally, if you have sold any assets during the year please provide full details so we can determine whether Capital Gains Tax may apply to the transaction.
