2021 Deceased Trust Estate Checklist

To assist us in preparing the deceased estate trust taxation return in accordance with Australian Taxation Office requirements, please use this checklist when you compile the information.

For income and deductions, keep in mind that self-assessment applies. In the event of a Tax Office audit you will need to be able to substantiate the deductions claimed and income earned.

Finally, if any assets were sold during the year please provide full details so we can determine whether Capital Gains Tax may apply to the transaction.
